

# National Honor Society

## 2022-2023

### KEY DUE DATES

November 3	Term 1 Hours
January 20	Term 2 Hours
April 6	Term 3 Hours
May 1	Group Service Project Reflection (TBD)
Last Day of School	Term 4 Hours

### MEMBERSHIP REQUIREMENTS

**Term Hours.** Each term, members must complete four service hours and upload the signed term hour form to Google Classroom by the due date. **Hours not posted by the deadline will earn a strike.** If a member fails to complete hours for a given term by the completion of the following term, he or she will be dismissed from the chapter.

**Service Project.** This year our goal is to find two large-group service projects or fundraisers that everyone in the entire club can work on together. Details are still being worked out.

**Tutoring.** Members this year may opt to tutor for their quarterly community service hours. Each tutoring hour counts as one community service hour and there is no minimum or maximum number of hours for tutoring.

**Maintaining Standards.** Each member must consistently uphold the four pillars of scholarship, character, leadership, and service to remain a member of the Bromfield chapter in good standing. If a member falls below the minimum required GPA of a 3.30, he or she will be dismissed. If a member is involved in disciplinary action by the school administration, or given a bad report of character by a teacher or other school personnel, dismissal proceedings will be taken out against that student.

### EARNING STRIKES

**Once a member earns three strikes, they will face a dismissal hearing from NHS.** Strike notices will be given out within fifteen days of any infraction.
